

In-Person & Phone Consultations Chapter Book and Novel Writers

I love to meet with writers in the greater Denver area to help them hone their craft, establish good writing practices, plan next steps and more.

Below are several options I offer. Hopefully there is one that is just the right fit for you. If not, let's create one!

Single Session Consultations

Manuscript Review (1-hour session)

In a manuscript review consultation, I will read one to three chapters of your novel in advance to get a sense of your story and where you are with your writing. During the in-person session, we will work together to see where you can improve and shape it and where you may want to take it.

These sessions will deal with more high level feedback---plot, structure, character development, etc--and whether these first pages of your novel are off to a good start. *For a more detailed analysis of your pages, please check out my Manuscript Critique Brochure.*

Fees

In-person Manuscript Review

First chapter up to 10pp (~2,000 words)	\$175.00
First three chapters up to 30pp (~7,000 words).....	\$200.00

Phone/Skype/FaceTime Manuscript Review:

Full Novel Multi-Session Coaching Packages

If you are looking for ongoing support for a complete novel, a package is a great way to stay committed to your project! These sessions will deal with more high level feedback—plot, structure, character development, etc., helping you develop approaches to the whole project. Fees include a reading of your entire novel one time in advance of our sessions and then discussing it together. Subsequent sessions will address revisions, next steps, and anything else you'd like to explore. (Note that I do not read the entire manuscript again for subsequent sessions, but will read a revised chapter or two if you feel that will enhance our discussions.) *For a more detailed analysis of your manuscript and/or a critique-consultation combo, check out my Manuscript Critique Brochure.*
